Leak Garage for about a year my friend Roland Howe and I  
ess together in 1947 & rented a building from Mark Fortie at  
a month. We started out by doing welding and machine work,  
se trailers and doing all kinds of machinery repairs. Unable to  
smith forge I had made my own in trade tech school so we had  
ecessary equipment.

decided to go to work at Hill Field for better money and I  
er dividing the equipment. I had to borrow \$400.00 from my  
e payment.

decided the only partnership I wanted was my marriage
